GRADUATES

Class of 1964

Gary Couchman, Vice-President; Kenneth McElvain, President; Nancy Parks, Treasurer; Connie Close, Secretary.

The senior class, numbering 58, has enjoyed a highly successful four years of high school. They have earned enough funds by selling popcorn as juniors and pop as seniors to sponsor a class trip and donate a class gift to the school. Their junior play, "It's a Great Life" and their senior play, "Lock, Stock, and Lipstick" were humorous and well accepted. The class motto, "We Know What We Are, But Not What We May Be," is characteristic of this class and shows that they are ready to start down life's road as young adults eager for success.

The student council is the governing body of Seymour Community High School. The group works in close co-operation with school officials. Maurice Stamps, high school principal, is the sponsor and advises the council in their activities.

The council tried hard to improve school parties and dances. Through this they hoped to improve school spirit. Some of the activities the council has sponsored are the freshman initiation, high school mixer, homecoming activities, and sock hops.

The president, both senior members, and one junior member attended a seminar of the State Association of Student Councils at I.S.U. where they learned of their duties and how to carry them out.

The Tomahawk staff is composed of volunteers from the senior class. These members have spent many hours preparing this TOMAHAWK for you.

This year a junior member, Barbara Vruble, was elected from her class to be a representative on the staff in order to gain experience and knowledge which she can pass on to the rest of the staff next year.

Connie Close, Alan Haney, Kenneth McElvain, Marilyn Smaniotto, Barbara Vruble, and Miss Banning attended the Yearbook Workshop at Kirksville this fall and brought back many ideas and helpful hints on how to produce a better yearbook.

We, the staff of 1964, would like to express our deep appreciation and gratitude to our sponsor, Miss Ermil Banning, for her guidance and efforts toward making our yearbook a success.

The Seymour FHA Chapter was active in several projects this year. In the fall a meeting was held to define the purposes of FHA to the girls who were interested in joining the organization. Later a candlelight initiation service was held.

The National FHA Project for 1963-64 was "Action for Citizenship." This theme was carried out in the Seymour Chapter in the form of a more democratic election of officers. The community service project this year was to save "Butternut" coffee strips and turn them over to the local grocery stores for toys for needy children at Christmas. The chapter made extra funds by selling hot rolls at the home basketball games.

Members of this organization are learning to live a more useful and satisfying life through Future Homemaker's activities.

ACTIVITIES

It's A Great Life

The class of 1964 presented their Junior Play entitled "IT'S A GREAT LIFE" with huge success. The theme of the play centered around a seemingly normal family and how they managed to get in and out of trouble. The entire play was located in the living room of the prosperous but unpretentious Wilson home in the suburb of a large mid-western city.

The play was written by William D. Fisher and directed by Maurice Stamps.

Homecoming Royalty 1963

Homecoming Queen, Nancy Parks, and her attendants were chosen from the senior class by popular vote of the student body.

The attendants were Marilyn Smaniotto, Sheila Bostwick, Dixie Donald, and Connie Close.

Homecoming 1963

Homecoming, 1963, was very successful in many aspects. The parade, acclaimed by many as one of the best ever was held in the afternoon. Much credit for the beautiful floats goes to the hard work and cooperation of the student body and faculty.

To make things even brighter was the Warriors' win over the Melcher-Dallas Saints with a score of 19-13. Highlighting the half-time activities was the crowning of Nancy Parks as Queen, and the announcement of the float winners.

The finale of the evening was the dance where Queen Nancy and her court reigned. The gym was decorated in red and white streamers and was one of the most beautiful dances held this year.

The highlight of the Homecoming Parade for the senior class was the announcement of the winning senior float. "Still Perkin" was the theme built by "McCarty and Company." Very close behind was the sophomore float, "We Nose We'll Win." In the fifth-eighth division the junior high float, "Steps to Victory" won first place. In the kindergarden-fourth division the first and second grades at Promise City won first place with the theme "Warriors! Put Out Their Fire!"

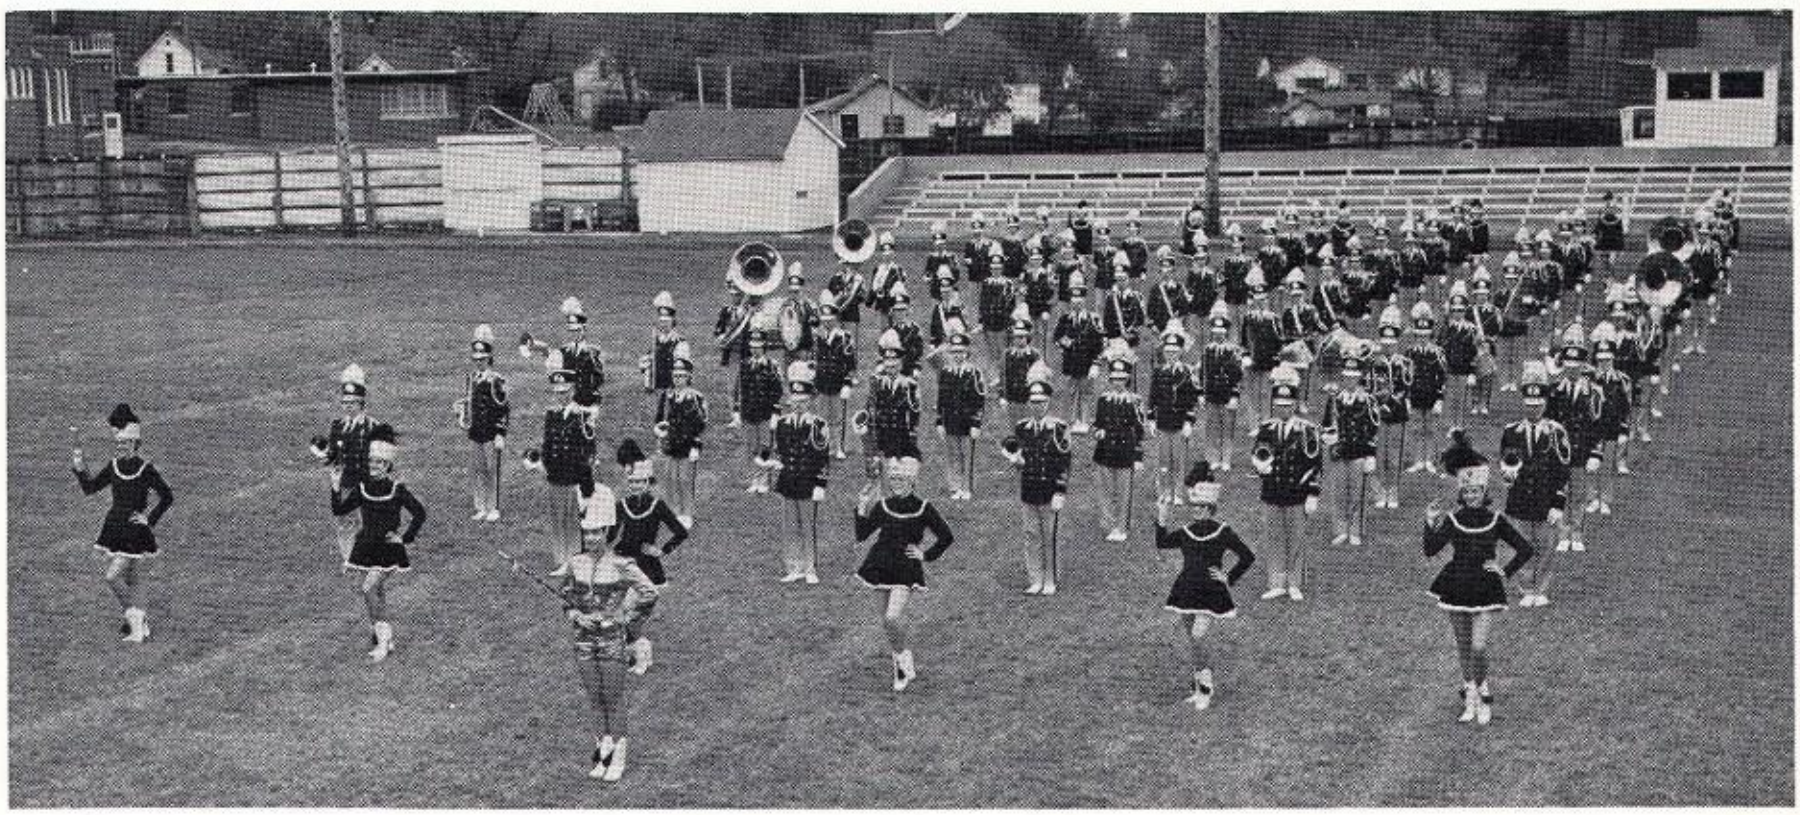
1963 Pancake Day Winners



The Seymour Community High School Marching Band consisting of 83 members made many appearances in the fall of '63. Among these was their performance at Lancaster, Missouri, during an "Old Settler's" celebration, where they took first place. Later they were honored with an invitation to Band Day at Drake University. The highlight of the year for the band was when they won first place at Pancake Day in Centerville, Iowa for the fifth consecutive year. For the first time the band performed at State Marching Band Contest at Ottumwa and received a two rating.

Following the tradition of the past years, the band performed at the four home football games and marched in the homecoming parade.

The mixed chorus is a selective group, chosen from the boys' and girls' glee club. The most important of their variety of performances is the spring musical. During the past year they have done a variety of performing, including singing at the memorial for President Kennedy.

Differing ensembles and soloists are picked from this group to perform at various functions. The most selective of these ensembles is the madrigal. The madrigal consists of sixteen members. The expressed desire of the madrigal is to give the listener a brief summation of all varieties of vocal music, while at the same time be entertaining.

The girls' ensemble has been newly organized into a gay ninety's singing organization which performs music of that period.

At the same time they retain their status during performance of a more modern nature. Their performances include K.S.T.C., television, and shows at home.

The Mikado

The 1963 Operetta, "The Mikado," written by Gilbert & Sullivan, was presented in the High School Auditorium on March 29 by the vocal department. It was under the direction of Mr. Scott Schulze.

The setting of the operetta was in Japan where Nanki-Poo, the son of the Mikado, has disguised himself as the wandering minstrel and fled from his father's court to escape marriage with Katisha, an elderly lady of the Mikado's Palace. Nanki-Poo loves Yum-Yum, who is a ward of Ko-Ko, the tailor. Ko-Ko plans to marry Yum-Yum himself, therefore, Nanki-Poo cannot marry her. Upon hearing that Ko-Ko is going to be beheaded in a month for flirting, Nanki-Poo hurries back to the city to find Yum-Yum and renew his love affair. When Nanki-Poo arrives, a noble, Lord Pish-Tush, informs him that Ko-Ko has been raised to the exalted rank of Lord High Executioner. Therefore, he cannot be executed as it is somewhat difficult to cut off your own head. Ko-Ko now arrives, heralded by the noblemen of Titipu. He explains his new position and the music proceeds in typical Japanese character and we are then introduced to Pooh-Bah, Lord High Everything Else, Yum-Yum and her two sisters, Pitti-Sing and Peep-Bo, then appear and complete the picture.

Finishing the season with five wins and three losses, the Warriors showed a vast improvement over the fall of 1962. The Warriors brought on many thrills this season, especially the 19-13 victory over Melcher-Dallas, Homecoming night, when they held Melcher on the one-foot line as the game ended. The Warriors finished their season with one of their best games by defeating ACL, 38-0. Ken Johnston, Max Shanks and John Matkovich were named to the All Conference football team for 1963-'64. Tom Cox, Terry Boobyer, Bill Anderson, Doyle VanDyne, Jerry Sebben and Roger Gleason received Honorable Mentions.

The B-squad had a quite successful season this year with four wins and two losses. Coach Hanna feels that with these boys and the 14 returning lettermen he can expect to field a strong and well-experienced team next year, which should be in the race for the Conference crown. The season might best be ended by saying, "Just wait until next year."

Warriorettes
1963-1964

The Seymour Warriorettes basketball season of 20 wins and 4 losses proved to be a very successful one. The Warriorettes were Blue Grass Conference Runners-up, Sectional Runner-up, and were defeated by Twin Cedars in the first round of the District Tournament.

Three seniors will be leaving the team but with the return of the remaining letter winners and with the help of the "B" squad, we are looking forward to another successful season in 1964-'65.

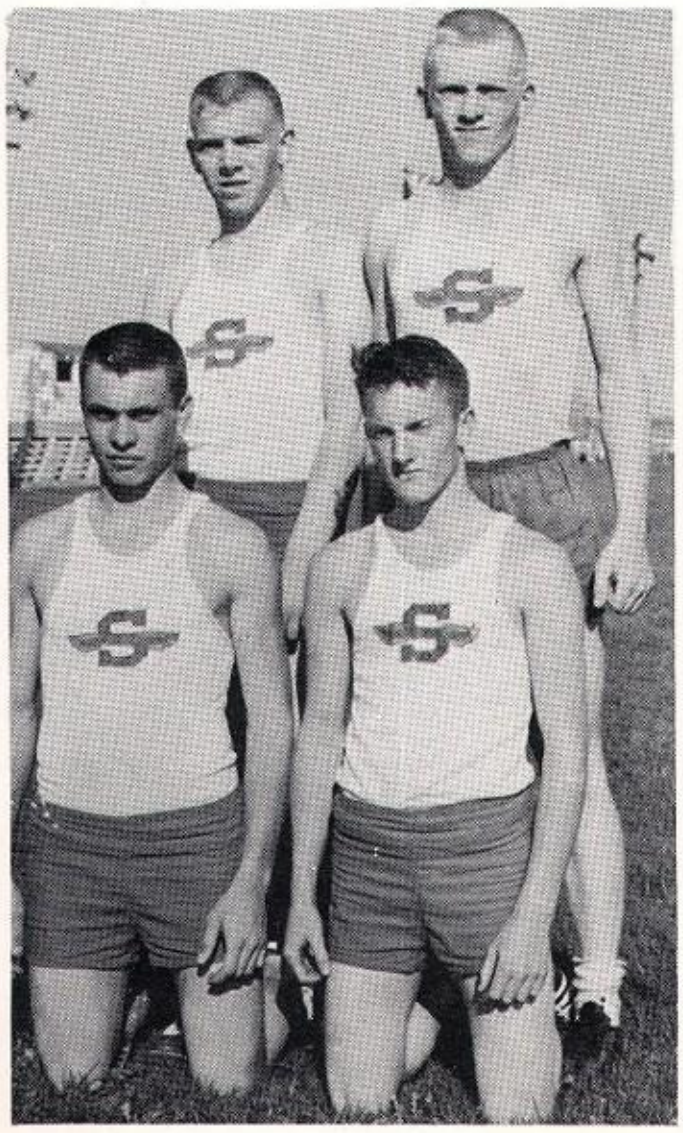
440 RELAY TEAM



These two relay teams won first place trophies at the 1963 Blue Grass Conference track meet at Lamoni. The 440 relay team, at left, consisted of Randy Stafford, Bill Anderson, Randal Couchman and Joe Snook. The mile relay team, at right, consisted of Dick Snook, Bill Wells, Jack Fox and Kenny Johnston. These eight boys have contributed much to our most successful season. They will all be back next year to help make another successful season.

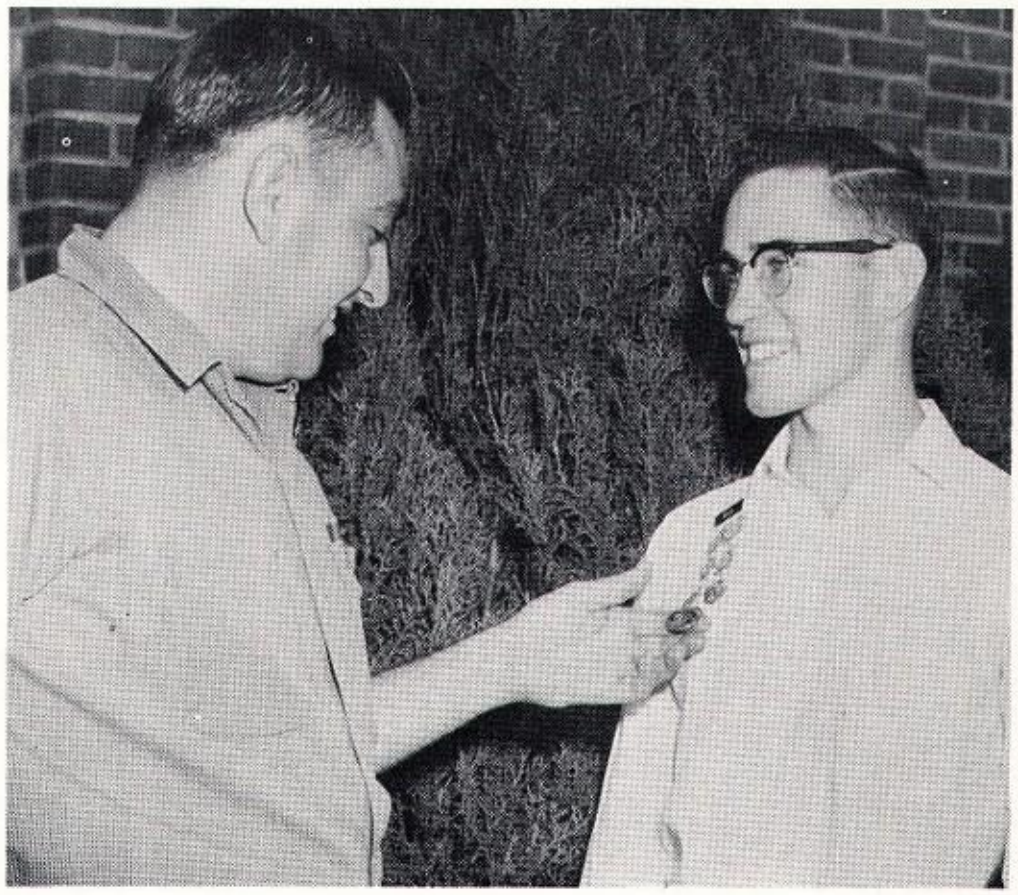
Spring Sports 1963

Bill Wells, a junior in his first year of track at SCHS, was undefeated in all mile and half-mile track competition this spring. Bill set a Blue Grass Conference record of 2:04 for the half-mile. By winning first in the mile and the half-mile at the district track meet, held in Oskaloosa, Bill qualified for state track competition. In state competition at East High in Des Moines, he won first place again in the mile and the half-mile, over all other "B" school entrants with the times 4:31 and 2:02 respectively.



Coach Hanna admiring Bill's medals.

The 1963 track season was an extremely successful one; Seymour Community High School ranked second in the Blue Grass Conference and seventh in State. They attended two triangular meets, with Corydon and A.C.L. in which they won both. They also attended the Blue Grass Conference Meet, April 23, at which time they were runners-up to Lamoni, the Conference champs. In the open 880 yard run at the Conference Meet, Bill Wells and Dick Snook both broke the previous records. Wells set a new record at the Conference Meet. In competition at the State Meet in Des Moines, Wells won the mile and half-mile in the Class "B" division.

With the return of the entire squad, except for Max Lucas who graduated, and with the continued excellent coaching of Mr. Hanna, the 1964 season promises to be one of the most outstanding in recent years.
